

# ***The 5 R's***

A Simple Method for Studying the Bible with Kids

## ***REVIEW***

Briefly discuss what you've read so far and where you left off.

## ***READ***

Read of section of scripture comprising one "scene" approximately 10-20 verses.

## ***RETELL***

Tell the story of what was just read, using your own words.

## ***REACT***

Discuss the passage: ask questions, share thoughts, bring in supplementary material.

## ***RECORD***

Create something with what you've learned: keep a journal, make a timeline, draw a picture, etc.
